

PomPom Making Kit

Join The Shaun the Sheep PomPom Parade! It's fun for all ages, so let's get creative together and learn about real wool!

We want your help to create a new woolly world record for the largest collection of handmade PomPom Sheep ever!

We'll be parading the whole flock in support of the Campaign for Wool in March 2013

Post your pom pom sheep before 1st March 2013 to be part of our World Record attempt!

The Wool Room
Units 4/5, Woodside Farm,
Ketton Road, Empingham, LE15 8QD

Top 5 PomPom Tips

1. Wrap multiple strands of wool yarn around the template together to make wrapping quicker and easier
2. Wrap lots and lots of wool around the template; this makes a fuller pom-pom and helps the wool stay put when you cut it in step 4 (see diagram)
3. If you have a few colours of wool yarn handy try making patterned pom-pom sheep!
4. Can't decide how to finish your pom-pom sheep? Head to our Facebook page where you can see lots of examples of how to get creative!
5. Have fun and encourage all of your friends to make their own pom-pom sheep!!

Be a good Shepherd and keep an eye on the flock! Check the website and facebook for updates, photos and competitions!

With special thanks to our woolly project partners:

PomPom Making Kit

Cut a pair of rings out of card and wrap them in wool

Keep wrapping the rings in wool until completely covered

Hold the wrapped rings tightly while you carefully cut between the strings of wool

Take a long length of yarn and tie through the middle of the rings. Pull the rings apart carefully to release your PomPom

Tie the legs around the middle with a piece of yarn on the front & back to make 4 legs

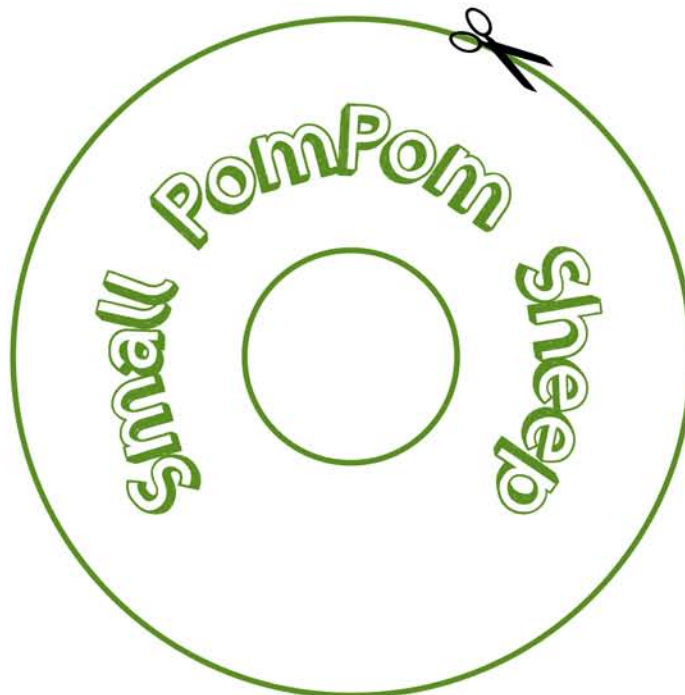

Select a face and decorate it to make your baaarilliant Pom-pom Sheep unique!

PomPom Making Kit

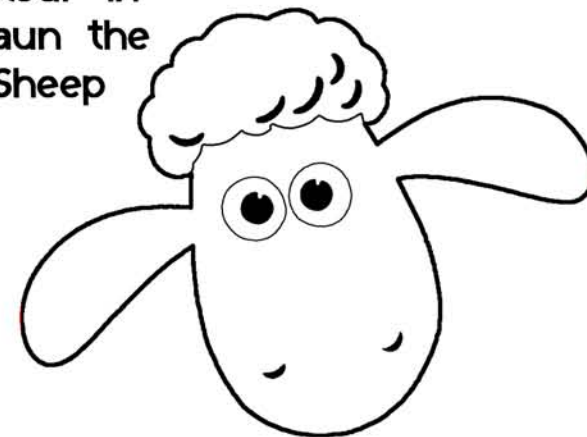

Stick the circles, faces and legs you'd like to use on to thick card and cut out the shapes!

Dear PomPom Parade,
I have sent (number) sheep to add
to the flock. I promise to be a good
shepherd and keep an eye on my sheep.
Please send me email updates about my
the flock!
